## Clean Campus Initiative - Housekeeping and Hygiene Protocol

**Objective:** The Clean Campus Initiative aims to maintain a high standard of cleanliness and hygiene throughout the campus premises. A dedicated team of 18 skilled housekeeping staff, equipped with modern tools and machines, ensures regular cleaning, maintenance, and observance of proper hygiene practices.

### **Housekeeping Team Responsibilities:**

- Daily Cleaning: The housekeeping team performs daily cleaning tasks across the entire campus.
- Modern Tools: Auto Scrubber Machine, High-Pressure Machine, and Vacuum Cleaner are used for efficient cleaning.
- Washroom Maintenance: Regular cleaning and sanitization of all washrooms are carried out.
- Classroom Care: Classrooms are cleaned through methods like Dry Mopping, Wet Mopping, Dusting, Vacuuming, Sweeping, and Mopping.
- Window and Blind Cleaning: Windows and blinds are cleaned regularly.
- Porch and Surroundings: The porch and surrounding areas are cleaned regularly to maintain a welcoming entrance.
- Deep Washroom Cleaning: Periodic deep cleaning of washrooms ensures a high level of hygiene.
- Water Tap and Cooler Check: Regular checks are done on water taps and coolers to ensure functionality.
- Observation of Maintenance Issues: Housekeeping staff observe and report maintenance issues promptly.

### **Reporting Protocol:**

Observation Reporting: Housekeeping staff should promptly report any observations of tap leakage, faulty electrical equipment, or cleanliness and hygiene issues to their respective supervisors.

Maintenance Coordination: Supervisors will coordinate with the maintenance team to address reported issues swiftly.

By following this protocol, the Clean Campus Initiative ensures that the institute remains a clean and hygienic environment for all students, staff, and visitors.

Report of Activity

Date- Friday 25/01/2019

Name of Activity- **Cleanliness Drive**

Brief of Activity-

Clean Campus promotes Hygiene, It improves hygiene level in campus and also helps to reduce the spread of sickness, maintaining a clean college environment sets a good example to students. Cleanliness encourages learners to take pride in their college, which makes them less likely to drop litter and as such they will potentially make a bigger effort to maintain their environment. Cleanliness gives rise to a good character by keeping body, mind, and soul clean and peaceful. Maintaining cleanliness is the essential part of healthy living because it is the cleanliness only which helps to improve our personality by keeping clean externally and internally.

Dr. D. Y. Patil College of Engineering Salokhenagar has organized a Clean Campus campaign on 25/01/2019 to educate and to promote civic sense among students community. Our principal Sir Dr. Vishweshwar Kallimani briefed about the importance of cleanliness of the campus. Sir was advised not to throw paper plates, water bottle, paper cups, tissues, and many unwanted things on campus Lawns, Library, cafeteria, umbrella canteen, garden, sitting Area, corridors, class rooms, pathway and other open areas which is very unhygienic to all of us. He was

also informed to make the college campus & class rooms a beautiful place for one and it makes individuals healthier when the environment around them is healthy.

After the interactive session, the cleanliness drive starts at 10.00 Am with the help of more than 30 volunteers. All volunteers pick plastic and waste papers from the college campus and dump them in the garbage bags.
