Subject: Expenses for One-Day FDP "Practical Orientation of ANSYS in Design for Application of Mechanical Engineering"

Dear Sir,

Department of Mechanical Engineering of our college is going to organize one-day faculty development program on "**Practical Orientation of ANSYS in Design for Application of Mechanical Engineering**" under lead college concept in month of December. This topic has wide scope in mechanical engineering. These design techniques are very useful and effective tool to utilize in execution of work. The details of workshop expenditure have attached herewith. We request to you kindly sanction the expenses for the same.

Thanking You.

Dr. T.B. Mohite-Patil

Dear Sir

Regards!

I had a discussion with the Centre Head. We are ready to give training of one day (4-5 h with charges RS. 4000/-). But please confirm that the training is being scheduled in mid November. It would be possible for us to conduct workshop in that month only.
