Report of Activity

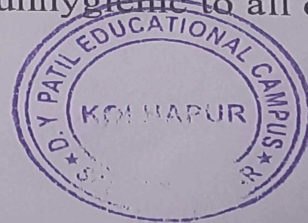

Date- Friday 25/01/2019

Name of Activity- Cleanliness Drive

Brief of Activity-

Clean Campus promotes Hygiene, It improves hygiene level in campus and also helps to reduce the spread of sickness, maintaining a clean college environment sets a good example to students. Cleanliness encourages learners to take pride in their college, which makes them less likely to drop litter and as such they will potentially make a bigger effort to maintain their environment. Cleanliness gives rise to a good character by keeping body, mind, and soul clean and peaceful. Maintaining cleanliness is the essential part of healthy living because it is the cleanliness only which helps to improve our personality by keeping clean externally and internally.

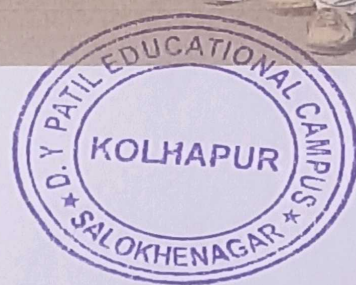

Dr. D. Y. Patil College of Engineering Salokhenagar has organized a Clean Campus campaign on 25/01/2019 to educate and to promote civic sense among students community. Our principal Sir Dr.Vishweshwar Kallimani briefed about the importance of cleanliness of the campus. Sir was advised not to throw paper plates, water bottle, paper cups, tissues, and many unwanted things on campus Lawns, Library, cafeteria, umbrella canteen, garden, sitting Area, corridors, class rooms, pathway and other open areas which is very unhygienic to all of us. He was

also informed to make the college campus & class rooms a beautiful place for one and it makes individuals healthier when the environment around them is healthy.

After the interactive session, the cleanliness drive starts at 10.00 Am with the help of more than 30 volunteers. All volunteers pick plastic and waste papers from the college campus and dump them in the garbage bags.
