**Response:**

The institute adheres to the AICTE guidelines for building infrastructure that ensure effective teaching learning for academic programs and administration. The institute has campus with ample light and air ventilation of 8043 sq.mt built-up area and library with an area of 439 sq.mt.

**Classrooms:**

The institution contains 15 classrooms which are well-ventilated, spacious, and good ambiance. There are 9 ICT enabled classrooms and one drawing hall to offer the interactive teaching-learning experience. To support innovative learning with ICT resources, e-classrooms are equipped with LCD projectors, sound systems and computers with internet access.

**Seminar Hall:**

The institute has 141.52 sq.mt air-conditioned seminar hall (Panini Hall) equipped with a seating capacity of 150 persons to conduct seminars, conferences, guest lectures, and workshops for students and faculty. Seminar hall is equipped with LCD projector and public address system with an internet facility.

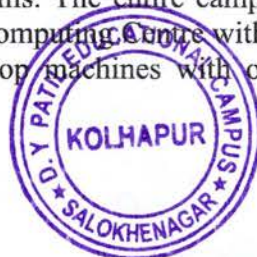

**Laboratories:**

Institute is having 32 well-equipped laboratories, allowing students to practically understand the fundamentals through various experiments. Sufficient safety measures have been implemented and prominently displayed through signage in laboratories.

The college has a workshop of area 209.27 sq.mt. and additional workshop of area 200 sq.mt. which comprises of carpentry, welding, soldering and forging facilities.

**Computing facility:**

There are 327 computers, 12 LCD projectors and 21 printers with scanner in the institute connected to a LAN with high-bandwidth internet connectivity and sufficient peripherals. There are 62.5 kVA capacity UPS systems. The entire campus is Wi-Fi connected, with a 100Mbps internet connection. The Central Computing Centre with an area of 210.35 sq.mt. It has sufficient number of internet enabled desktop machines with open source Linux environment to learn different programming languages.

**Dr. D. Y. PATIL PRATISHTHAN'S  
COLLEGE OF ENGINEERING  
Salokhenagar, Kolhapur**

**Learning Management System (LMS):-**

The institution uses digital platform such as Google Classroom, Moodle and Virtual Labs, referred to as a learning management system, to manage course materials, assignments, evaluation and communication between students and teachers.

**Transport, medical and Canteen facilities:**

The institute provides transportation facility of buses for students and staff from numerous locations apart from public transport. A health care centre offers first-aid services and has MoU of medical services with D. Y. Patil hospital Kolhapur owned by our trust. Canteen facility is provided for students & staff with adequate capacity.

**Sport facilities and Yoga centre:**

The institute has adequate space for sports, games, cultural activities which include a playground and a huge open green campus for the cultural events, yoga etc. We also have facilities for indoor games in gymnasium. The institute encourages students to participate in sports & games outside the campus. We conducted yoga for our students on sport ground as well in yoga centre. The institute has liberty to use sports facilities of our sister institutions in Kolhapur.

**Cultural and Social Facilities:**

We organize various cultural events in our college premises. Under cultural activities we celebrate functions and conduct various competitions. Under NSS department the different social events are being conducted every year. Our students have participated in the various cultural events organized by other universities, at state and national level.

## Learning Management System (LMS):

**Moodle:-** Moodle is a learning platform designed to provide educators, administrators and learners with a single robust, secure and integrated system to create personalised learning environments. For enhancing teaching-learning process our institute provides moodle to students & teachers & they can access from anywhere. Our institute provides open public link to students, they can access moodle from outside the campus.

**Moodle**

The image displays four screenshots of the Moodle LMS interface:

- Top Left:** Course Options page showing a list of courses under the heading 'SYLLABUS'. The 'SYLLABUS' menu item is highlighted in the left sidebar.
- Top Right:** Submissions page showing a list of users and their submission status for a specific activity. A 'Download all submissions' button is visible.
- Bottom Left:** Grader report page showing a table of scores for all participants. The report title is 'Grader report' and it indicates 'All participants: 70/70'. The table has columns for 'Name', 'Score', and 'Grade'.
- Bottom Right:** Moodle logo featuring a graduation cap above a stylized orange 'm'.
