#### Guidelines for Developing Vision and Mission Statements:

A Vision represents an aspirational future state for Institute, offering a visionary perspective of what the Institute should evolve into. Conversely, the Mission deals with the practical aspects of the vision, addressing questions about the Institute's identity, purpose, and rationale for existence. A Vision serves as a symbol that unites stakeholders, primarily employees, around a shared sense of purpose, recognizing that people are more motivated when working for a meaningful cause rather than just pursuing a goal. Typically, a Vision is a long-term statement that remains relatively constant unless the department undergoes significant restructuring.

A Vision should serve as a firm anchor, a guiding principle that is prudent yet non-negotiable, except in rare circumstances. It should be clear, concise, and easy to understand, leaving room for individual interpretation. Importantly, it should articulate the destination without delving into the specific road map for achieving it. An effective Vision is both meaningful and achievable, avoiding vague or overly ambitious language. It should be capable of energizing people and providing motivation, even in challenging times. A strong Vision should be seen as both attainable and inspiring, stretching individuals and the organization beyond their comfort zones.

Mission should refrain from specifying the precise methods for realizing the vision, as these methods may change over time. A well-crafted Vision should have a 5 to 10-year horizon, striking a balance between being tactical and overly distant, ensuring that the organization's strategy for development

The entire process of developing a vision, mission, and objectives is highly iterative. commencing with the Vision and Mission statements, free from constraints, capabilities, or external factors The Mission, in turn, follows the Vision, representing the practical actions required to fulfill the larger vision. Mission deals with the 'who, what, and why' of the Institute's existence, providing the roadmap to realizing the Vision. Additionally, objectives, whether focused on outcomes or processes, must align with the Vision and Mission, be directly related to national objectives.

#### With reference to above guidelines

#### Following steps were taken while redefining 'Vision Mission'

1. The meeting of all heads of departments and deans alongwith Internal Quality Assurance Cell (IQAC), Admin officer was conducted to discuss the points to redefine the Vision Mission.
2. On the basis of partial attainment of previous Vision defined in 2018-19 and New education Policy 2020 guidelines the changes were discussed in the meeting and draft was prepared.
3. Then the Vision and mission is checked by management and stakeholders – Chairman, Trustee and Executive director  
Also it is checked by other stakeholders - parent representative, Industry representative and alumni.
4. After approval of management and other stakeholders the Vision and Mission was finalized.

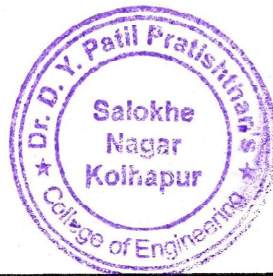

### Vision

To strive and become centre of excellence in higher education and be a preferred choice of institution by the students.

### Mission

1. To nurture a culture of excellence in teaching & learning with active involvement of stakeholders
2. To provide quality technical education with focus on fundamentals and hence become a preferred educational institute in this region
3. To encourage students participation in academics, co curricular and extracurricular activities for their overall personality development and emerge as innovators, leaders and entrepreneurs.

## वाचन प्रेरणा दिन

**‘वाचाल तर वाचाल’** ही म्हण आजच्या घडीला किती समर्पक आहे. हे आपण सर्वच जाणतो: वाचन संस्कृती वृद्धिंगत होणारे संदेश

- १) वाचनाने आपली वाणी सुधारते.
- २) वाचनाने आपली भाषा सुधारते.
- ३) वाचनाने आपलं ज्ञान वाढते व ज्ञानाने आपलं महत्त्व वाढते.
- ४) वाचनाने अज्ञात भागाची ओळखही होते.
- ५) वाचनाने ऐतिहासिक घटनांची माहिती होते. वर्तमान समस्यांवर गंभीर विचार करता येतो. तसेच भविष्याचा वेधही घेता येतो.
- ६) वाचनाने नवनिर्मीती करता येते.
- ७) वाचनाने आपल्यामध्ये महत्वाकांक्षा निर्माण होते. तसेच आपल्या मनातील भीतीही दूर होते.
- ८) वाचनाने वेगवेगळी माहिती मिळवता येते.

	Waste Management – E-waste management, organic waste converter room, hazardous and non-biodegradable waste management.			
	Concession in Tuition Fee and Freeship in NHEI for children of NHCE staff.			
	Uniforms for all class IV employees.			
	Higher Studies Leave Benefit for staff.			

Felicitations on completion of Ph.D.  
 Teachers are recognized for their services on the occasions of Teachers' Day and Founders' Day.  
 International Women's Day is celebrated promoting women empowerment.  
 Increments in salary is provided when faculty members upgrade their qualification.  
 Subsidised food and accommodation is provided for security and maintenance staff.  
 Bonus is presented for all technical and non teaching staff for Dussera & Diwali festival.  
 Staff members' birthdays are celebrated with chocolates, cakes, gifts and cards.  
 Marriage gifts for employees and their children.  
 Staff injured inside the campus will get the benefit of full medical expenses coverage along with leave facility.  
 Insurance Coverage for technical and non-teaching staff.  
 Medi-claim coverage for technical and non-teaching staff.  
 Free transport facility to all staff members.  
 'Refresh & Come Alive' a recreational program is organised regularly for staff members.  
 Paper wastage is disposed off and the dry dead leaves are buried in the soil to protect the campus from getting polluted.  
 The institute maintains and monitors a green campus which is clean and eco-friendly.  
 Students enthusiastically take part in Tree Plantation Programs which are regularly organized.  
 E-waste and Hazardous waste management is practiced. A well equipped Organic Waste Converter is installed.  
 One sided sheets are used for reducing wastage.

**B. New Best practices to be introduced in next 5 years (Description in 1000 words)**

Energy Conservation – Solar Panels, Educative Posters.  
 Concession in Tuition Fee and Freeship in NHEI for children of NHCE staff.  
 Tie up with Hospitals to provide concessional medical facilities for staff members and students.  
 Blood Donation Camps are organized regularly by the institute.  
 Maternity Leave benefits as per NHCE policy.

**SWOT Analysis**

Sr. No.	Strengths	Weaknesses	Opportunities	Threats
1	Strong Curriculum	Greater number of behavioral problems in students	Development of leaders in engineering	Less score student enrolment
2	Caliber of students	Faculty retention	Interdisciplinary growth across departments	Saturation of engineering education market
3	Team work of faculty & staff	Some faculty not functioning as teams	Increased research funding	Unchecked student behavior
4	Quality of faculty	Research infrastructure	Expand and improve the effectiveness of marketing of the College	Reduced research funding
5	Quality graduate program	Lack of long-term budget planning and a process that is transparent	Increase national and regional recognition	Lack of publicity in areas of excellence, value and quality

#### Guidelines for Developing Vision and Mission Statements:

A Vision represents an aspirational future state for Institute, offering a visionary perspective of what the Institute should evolve into. Conversely, the Mission deals with the practical aspects of the vision, addressing questions about the Institute's identity, purpose, and rationale for existence. A Vision serves as a symbol that unites stakeholders, primarily employees, around a shared sense of purpose, recognizing that people are more motivated when working for a meaningful cause rather than just pursuing a goal. Typically, a Vision is a long-term statement that remains relatively constant unless the department undergoes significant restructuring.

A Vision should serve as a firm anchor, a guiding principle that is prudent yet non-negotiable, except in rare circumstances. It should be clear, concise, and easy to understand, leaving room for individual interpretation. Importantly, it should articulate the destination without delving into the specific road map for achieving it. An effective Vision is both meaningful and achievable, avoiding vague or overly ambitious language. It should be capable of energizing people and providing motivation, even in challenging times. A strong Vision should be seen as both attainable and inspiring, stretching individuals and the organization beyond their comfort zones.

Mission should refrain from specifying the precise methods for realizing the vision, as these methods may change over time. A well-crafted Vision should have a 5 to 10-year horizon, striking a balance between being tactical and overly distant, ensuring that the organization's strategy for development

The entire process of developing a vision, mission, and objectives is highly iterative, commencing with the Vision and Mission statements, free from constraints, capabilities, or external factors. The Mission, in turn, follows the Vision, representing the practical actions required to fulfill the larger vision. Mission deals with the 'who, what, and why' of the Institute's existence, providing the roadmap to realizing the Vision. Additionally, objectives, whether focused on outcomes or processes, must align with the Vision and Mission, be directly related to national objectives.

#### With reference to above guidelines

#### Following steps were taken while redefining 'Vision Mission'

1. The meeting of all heads of departments and deans alongwith Internal Quality Assurance Cell (IQAC), Admin officer was conducted to discuss the points to redefine the Vision Mission.
2. On the basis of partial attainment of previous Vision defined in 2018-19 and New education Policy 2020 guidelines the changes were discussed in the meeting and draft was prepared.
3. Then the Vision and mission is checked by management and stakeholders – Chairman, Trustee and Executive director  
Also it is checked by other stakeholders - parent representative, Industry representative and alumni.
4. After approval of management and other stakeholders the Vision and Mission was finalized.

### **Deployment of Institutional Development Plan (IDP):**

The institute has prepared IDP in 2022 as per SUK Shivaji University, Kolhapur format. The same has also been submitted to SUK. The key highlights of IDP 2022 are as under-

1. Applying for NAAC accreditation by 2023
2. Applying for NBA accreditation of 2-3 department by 2024 (Computer Science, Civil and Electrical Engineering)
3. Focussing on Improvement in qualification index of faculty members
4. Strengthening the training and placement activities
5. Infrastructure Development to meet the additional requirements towards accreditation

As per above plan

1. IIQA for NAAC is submitted on 3<sup>rd</sup> June 2023 and now we are in process of preparing SSR which will be submitted on 23<sup>rd</sup> September 2023.
2. Simultaneously preparation for applying for NBA accreditation is in process in view of this a National conference is planned in January 2024.
3. Consultancy assignments are being increased and efforts are taken to have more funded projects.
4. In 2023 more Ph.D. faculties are appointed in each department to improve the quality of education and research. Also as many as 15 faculties have registered for Ph.D. for qualification improvement.
5. To improve the placements soft skills and Technical training apart from syllabus related to Industry is increased. In some cases, the customized training as per industry demand is also provided and same industry has appointed those trained students (FUEL training and Interior Design PMC training for Vertex Designs, Pune).
6. In 2023 number of smart classrooms are increased by Installing ICT Tools like Projectors.
