Clusters: Education/ Research/ External/ Admin/ Others

Elaboration: Different activities conducted by our college in flood affected areas as a social responsibility.

Dept :- N.S.S.	In charge:- Dr.V.P.Kallimani	File: N.S.S. department
Process Name :- Providing help for rebuilding flood affected regions.	Start date:-08-08-2019	Status:- 100%
Outcome:- Building social awareness among staff and students.	Head:- Prof.S.R.Jadhav	

Summary:- We aware that ,there is a drastic flood situation in Kolhapur district in the monsoon of year 2019. It is our social responsibility as the institute to provide help to flood affected regions.As our DYP group has adopted one village "Vasagade" under campaign Rebuilding Kolhapur ,we have provided all the necessary help for rebuilding Vasagade village from our D.Y. Patil Pratishthan's college of engineering ,Salokhenagar .We have collected per head monetary contribution from all the teaching and non teaching staff , from which we have purchased food grains ,clothes and medicines etc. to distribute to flood affected regions.We have also conducted cleaning activity at Vasagade village from DYP group after flood situation is recovered.

About the process:- From our institute we have issued one notice to public regarding donation for helping flood affected regions in terms of food grains ,clot and medicines etc.From this societal help and monetary contribution collected from all teaching and non-teaching staff ,we have purchased the required items & distributed those items for helping flood affected regions.

Outcome:- 1) Awareness of social responsibility among students and staff is increased.
 2) As our institute it is our small contribution for rebuilding Kolhapur district from flood disaster.

Points to observe :- 1) Awareness of proper planning and physical work in disaster situation is noticed by students.
 2) Group work and unity among students and staff in such disaster management activities.

Code-up Community:

Second year DS students have created one group named as Code-Up community.

Under this activity, group members meet every day after college hours; learn different programming languages using paid and free online courses, tryout different assignments. They also prepare different topics and explain those concepts to their fellow group members. This activity helps students to enhance their programming skills, problem solving ability and logical thinking approach.

Process Name: STREET PLAY "PLASTIC FREE CAMPUS AWARENESS" ACTIVITY	Start date- 15/05/2023	End date 15/05/2023	Status: 100% (Percentile completion)
Summary Every minute the equivalent of one garbage truck of plastic is dumped into the ocean. This marine litter and plastic pollution endanger aquatic life, threatens human health and results in myriad hidden costs for the economy. This street play about the plastic free campus awareness activity is useful to provide knowledge to students about why we do not use the plastic. Duration of this activity is 1 Hour.			
About the process We sent Activity Notice to the students and to the faculty with permission of principal sir. By taking concern of NSS Team & Management and faculty, we display the notice to students regarding conduction of fire drill activity. On the day of activity, we circulate the attendance among students and take photograph of the activity. Director Sir & Principal Sir take the oral feedback from the student regarding content of the street play about the plastic free campus awareness activity and the students are satisfied.			
Outcome Street play about the plastic free campus awareness is useful for students to know about why they stop using plastic.			
Points to observe how Students can minimize the use plastic and stop to using that.

Elaboration: Event of trees plantation to complete target given to our college by state government under 33 crores trees plantation policy.			
	Dept : N.S.S.	In charge:- V. P. Kallimani	File: N.S.S. Dept.
Process Name:- Plantation event of our college near Kalamba lake.	Start date :- 15 July 2019	End date :- 19 Sept. 2019	Status:- 100 % Completed
Outcome:- Societal awareness	Cost:- 30,000/-	Head:- Suhas R. Jadhav	

Summary:-

As per the state government policy of 33 crores trees plantation in the monsoon of A.Y. 2019-20, government has given target to plant 300 plants to our engineering college. This target we have completed with the help of N.S.S. volunteers and all staff our college. Also Chairman, Principal, Vice – Principal of our college, Sarpanch, Members and Natives of Kalambagrampanchayat are also included in this plantation event. This activity was successfully completed within three months i.e. July to September 2019 and all the information of this activity is uploaded on the government's www.greenarmy.mahaforest.gov.in website.

By completing this plantation activity and uploading data of the same on government's website, our college has certified with "Maharashtra Haritsena" member certificate. This certificate is mandatory while approving merit-list of our college by D.T.E. regional office Pune.

About the process:- Our college has purchased 150 big size plants of about 4 to 5 feet by own expenses from private nursery and also brought 200 plants from forest department nursery at village Prayag - Chikhali. Plantation of all this 350 plants near Kalamba lake is completed within three months i.e. July to September 2019.

Outcome:- 1) Awareness of nature conservation and global warming is increased among staff and students of our college and society also.
2) One big board giving message regarding importance of trees plantation and global warming is displayed for societal benefit at plantation site.
3) Target given by state government to our college is successfully completed.

Points to observe:- 1) Awareness of proper planning and physical work in activities like plantation is noticed by the students.
2) Group work and unity among students and staff in such outdoor activities.
