### INTERNSHIP COMPLETION LETTER

We are glad to inform you that **Mr. Rushikesh Avinash Powar** has successfully completed his internship at **Hemang Automation, Kolhapur** from **1st Nov 2021 to 31st Jan 2022**.

During his internship, he was exposed to the various activities in **Automation Products Programming (Python, C++) & Services Division**.

We found him extremely inquisitive and hard working. He was very much interested to learn the functions of our core division and also willing to put his best efforts and get into the depth of the subject to understand it better.

His association with us was very fruitful and we wish him all the best in his future endeavors.

Date:- December 2, 2021

Hello Vijay More,

I am delighted & excited to offer you a Web Development Internship role at Ingenium with your joining date set on 3rd December 2021. At Ingenium, we believe that our team is our biggest strength and we take pride in hiring ONLY the best and the brightest. We are confident that you would play a significant role in the overall success of the venture and wish you the most enjoyable, learning packed and truly *meaningful work* experience with Ingenium.

Your appointment will be governed by the terms and conditions presented in the **Annexure A**.

We look forward to you joining us. Please do not hesitate to call us for any information you may need. Also, please sign the duplicate of this offer as your acceptance and forward the same to us.

Congratulations!

**Pramudit Somvanshi**

Director & CEO

## GAPSPASM TECHNOLOGY SOLUTIONS PRIVATE LIMITED

Reg. Office:-6B/143 AWAS VIKAS COLONY FARRUKHABAD UP- 209625 INDIA

CIN:-U74999UP2018PTC105064

Contact:-+91 79067 84979; Email id:-spramudit@gmail.com

Annexure A

You shall be governed by the following terms and conditions of service during your job with Ingenium, and those may be amended from time to time.

1. You are being hired as a Web Development Intern and Mr. Priyum Khatri would be your Reporting Manager during the job. As a Web developer you would be responsible for maintaining our web apps.
2. You will be working remotely/in the office for the duration of the job. There will be catch ups scheduled with your mentor to discuss work progress and overall job experience at regular intervals.
3. All the work that you will produce at or in relation to ingenium will be the intellectual property of ingenium. You are not allowed to store, copy, sell, share, and distribute it to a third party under any circumstances. Similarly you are expected to refrain from talking about your work in public domains (both online such as blogging, social networking sites and offline among your friends, college etc.) without prior discussion and approval with your mentor.
4. We take data privacy and security very seriously and to maintain confidentiality of any students, customers, clients, and companies' data and contact details that you may get access to during your job will be your responsibility. Ingenium operates on zero tolerance principle with regard to any breach of data security guidelines.
5. During the appointment period you shall not engage yourselves directly or indirectly or in any capacity in any other organization. In the event of breach of this condition, this appointment is liable to be terminated forthwith by the company. In addition, you shall be liable to pay liquidated damages to the Company to an extent estimated by the Company.
6. Under normal circumstances either the company or you may terminate this association by providing a notice of 30 days without assigning any reason. However, the company may terminate this agreement forthwith under situations of in-disciplinary behaviours.
7. You are expected to conduct yourself with utmost professionalism in dealing with your mentor, team members, colleagues, clients and customers and treat everyone with due respect.

**GAPSPASM TECHNOLOGY SOLUTIONS PRIVATE LIMITED**

---

8. Ingenium is a start up and we love people who like to go beyond the normal call of duty and can think out of the box. Surprise us with your passion, intelligence, creativity and hardwork – and expect appreciation & rewards to follow.
9. Expect constant and continuous objective feedback from your mentor and other team members and we encourage you to ask for and provide feedback at every possible opportunity. It's your right to receive and give feedback – this is the ONLY way we all can continuously push ourselves to do better.
10. Have fun at what you do and do the right thing – both the principles are core of what Ingenium stands for and we expect you to imbibe them in your day to day actions and continuously challenge us if we are falling short of expectations on either of them.
11. You will be receiving a stipend of 7k (fixed) + 3k(variable) INR monthly.

I have negotiated, agreed, read and understood all the terms and conditions of this Offer letter as well as Annexure hereto and affix my signature in complete acceptance of the terms of the letter.
