Feedback Analysis

Preamble:

Feed Back analysis report from IQAC cell:

With quality sustenance as its focus, the IQAC of the Institute has developed the feedback mechanism commencing with obtaining feedback from the various stakeholders through a structured rating based feedback form. The institute draws feedback from students, teachers, alumni and employers for continuous improvement in curriculum development and enrichment.

The feedback targets following different content for different stakeholders

For teachers, the feedback addressed issues like Contemporary nature of the syllabus, suitability of syllabus for both slow and fast learners, sustainability of evaluation system adopted under syllabus, job readiness capability of syllabus, etc. For students, it addressed time and credit allotted to each course, completion of syllabus, the syllabus of course emphasizes the learning of job oriented skills, this feedback also considers other issues like delivery of curriculum by teachers. For Parents, it addressed quality of education, teaching methods, extracurricular activities, and campus amenities, Training Placement programmes of institute, industrial trainings and counseling facilities provided by Institution. For alumni, use of syllabus in preparation of competitive exam, role of syllabus in improving

the leadership and communication skills, scope of programme in sharpening personality etc
