**Dear Er. Subhash Mandhan,**

We on behalf of the Civil Engineering Department & Civil Engineering Students Association(CESA) of Dr. D. Y. Patil Pratishthan's College of Engineering, Salokhenagar, Kolhapur are extremely thankful to you for being a Guest Speaker to deliver a talk on the Webinar titled

**"Entrepreneurship Opportunities in Civil Engineering"**

arranged on Thursday 08th July, 2021 at 11.30 am through Facebook Live platform.

The session was fabulous.

The students who attended really enjoyed your presentation and the content you delivered regarding various entrepreneurship opportunities. We have also received very good feedback from the audience for the webinar.

We appreciate you making time in your busy schedule to deliver this talk.

Thank you again for your time.

Process Name : Career Guidance	Start date31/03/2022	End date31/03/2022	Status: 95% (Percentile completion)
Outcome : Improvement of Result	Cost- Rs.3000/-	Head: Dr. Suresh Mane(Principal)	

#### Summary

This career guidance talk by **Commander. Vijay Gadkari** is useful to provide the information related to the career opportunities to B.Tech students seeking for the jobs in the defense services. Total 120 students attended the Career Guidance Talk..

Duration of the Talk 2 hours.

#### About the process

We sent an invitation letter to the resource person with permission of principal sir.

After taking consent of the resource person, we displayed the notice to students regarding conduction of A guest talk on "**Indian Navy-An Ocean of Opportunities**". On the day of session, we circulated the attendance among students and took photographs of the session.

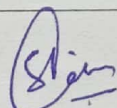

HOD EE dept & Academic dean take the oral feedback from the student regarding content of the Expert lecture and the students are satisfied.

#### Outcome

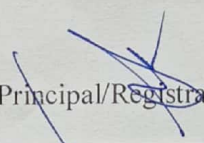

Career Guidance lecture is useful to provide the information related to Opportunities available in Indian navy and Defense services. Also, students get the knowledge how to prepare for getting a job in Indian navy and in defense services. Such Lectures from different organizations will certainly gives a different dimension in the thinking of a student about his/her career point of view.

#### Points to observe

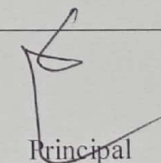

Students are able to find the gap between physical theory and its application to competitive exams.
