To,

The Principal,

Dr. D. Y. Patil Pratishthan's College of Engineering,

Salokhe Nagar, Kolhapur.

Subject: Request for 50% Advance Payment for Publication of Two Books.

Respected sir,

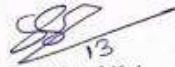

I am writing to request your support and approval for a 50% advance payment to facilitate the publication of my upcoming books: "AgriAI: Empowering 100% Farming Sustainability through Machine Learning Technique" and "The Abundant Path: Unleashing the Power of Money Manifestation".

The total cost of the publication of these books is 18,000 Rs, and I am seeking an advance payment of 9,000 Rs to cover essential expenses related to the completion of the manuscripts, professional editing, and other publishing necessities.

These books delve into critical topics, with "AgriAI" focusing on integrating artificial intelligence in agriculture for sustainable farming and "The Abundant Path" exploring the transformative power of money manifestation techniques. I firmly believe that these books will not only contribute to the literary world but will also reflect positively on our esteemed institution.

I sincerely appreciate your time and attention to this matter. Thank you for considering my request. I look forward to your positive response and the opportunity to make our institution proud with the successful publication of these books.

Warm regards,
