Sir,

I am sending herewith a list of Selected Students who qualified "Sou. Shantadevi D. Patil Merit Scholarship 2023" Award. You are requested that the scholarship amount of merital students be deducted from next year's fees. As a Chairman of Sou. Shantadevi D. Patil Merit Scholarship", I believe it is important to recognize and reward academic excellence.

By deducting the scholarship amount of merital students from their next year's fees, we can ensure that these students are able to make the most of their academic achievements. This will not only help them in their further education, but it will also motivate other students to strive for academic excellence and work towards achieving their goals.

I understand that scholarships are an important source of financial aid for students. However, by prioritizing academic excellence, we can create a culture of learning and growth that will benefit all students at this institution.

Therefore, I request you to deduct the scholarship amount of merital students from their next year's fees.

Yours,

  
Mr. Raturaj S. Patil  
Chairman,  
Sou. Shantadevi D. Patil Merit Scholarship,
