

Memorandum of Understanding

Between

**DR. D. Y. PPRATHISTHAN'S COLLEGE OF
ENGINEERING, KOLHAPUR**

AND

iGAP Technologies Private Limited

Background and Purpose of Parties Involved

Dr D Y Patil Prathisthan's College Of Engineering is located at Kalamba Ring Road, Salokhenagar Kolhapur 416007, Being the brainchild of its visionary founder, **Dr. Sanjay D. Patil**, DYPPCOE established in 2014, managed to craft a niche position for being a one-of-its-kind undertaking that focuses on value-based education. Knowledge of Engineering Sciences Apply knowledge of mathematics, science, engineering fundamentals and an engineering specialization to the conceptualization of engineering systems. Design and development of solutions Design solutions for complex engineering problems and design systems, components or processes. Creating engineers with a sense of professional, ethical and sustainable approach in problem solving.

iGAP Technologies is a leading software development and training company specializing in real-time project development for web, mobile, and data technologies. Our team of expert trainers, who are also active developers, brings a wealth of hands-on experience and industry insights to our training programs. This dual expertise ensures that our clients not only learn the theoretical aspects of software development but also gain practical, real-world skills that are immediately applicable in today's fast-paced tech landscape. This is a credible non-profit organization which provides Software Services, Career Guidance and Skilling to the students throughout India.

- **Vision:** We're passionate about customers and are working to meet the needs they have today and innovating to meet the needs they will have tomorrow.
- **Goals:** Our corporate identity defines the kind of company we are now and the one we need to be in the future.

Central to that identity is a commitment to create ways to help customers thrive in a changing world.

Context of the MoU

Dr. D. Y. Patil Prathisthan's College Of Engineering consistent efforts towards integrated development of Youth as agents of change and expertise of iGAP Technologies Private Limited and its years of experience in the field brought the two parties together. Realizing the skill gap that exists and ensuring that India's huge demographic dividend should not become demographic burden, both the parties thought to come together for more meaningful and sustainable intervention in the lives of youth.
