Anvistar ITS Pvt. Ltd. Internship Begins for Final Year CSE Students at DYP, Salokhenagar

Kolhapur, June 27, 2025 – The Department of Computer Science & Engineering at **Dr. D. Y. Patil College of Engineering and Technology, Salokhenagar, Kolhapur**, has initiated a **one-month internship program** in collaboration with **Anvistar ITS Pvt. Ltd.** for **B.Tech Final Year students**.

The internship, which officially started on **27th June 2025**, is divided into three focused technical groups:

- Group 1:** Full Stack Web Development
- Group 2:** Full Stack Java Development
- Group 3:** Python Development

The internship is conducted under the expert mentorship of **Prof. Sneha Ghewari**, aiming to provide students with valuable industrial exposure and enhance their skills in cutting-edge technologies.

This initiative marks a vital step in preparing students for professional careers by integrating academic knowledge with practical application.

Computer Science and Engineering Department

CSE Faculty at DYPSN Successfully Complete FDP on Effective Teaching-Learning Using Social Media

Kolhapur, June 1, 2025:

The Department of Computer Science and Engineering (CSE) at DYPSN , Salokhenagar, Kolhapur marked a significant academic milestone as **all** its faculty members successfully completed a Faculty Development Program (FDP) on “**Effective Teaching-Learning Using Social Media.**”

The FDP was conducted by the **National Institute of Technical Teachers Training and Research (NITTTR)** from **May 26 to May 30, 2025**, at the DYPSN campus. This initiative aimed to enhance pedagogical strategies through the integration of modern social media platforms into teaching-learning processes.

Over the five-day program, faculty members engaged in interactive sessions, hands-on workshops, and expert-led discussions that emphasized the use of social media tools to foster student engagement, collaborative learning, and digital literacy.

The successful completion of this FDP reflects the department’s continuous commitment to educational innovation and excellence. It also aligns with the institution’s broader goal of empowering educators with 21st-century teaching competencies.
